“ I met Alice back in the early 80's. She was selling her hand painted crystals at the Tiffin mall which I purchased three of them. She painted one with sailboats, one with two flying geese, and the other with 2 deer grazing in a field. Only one was signed. Her legacy lives on. They are so beautiful. Still on display here.

“ Lori, You have our deepest sympathies in the passing of your mom. I know it is a great personal loss, but remember she touched the lives of so many people over the years in such a positive way. You have all those memories that will never go away. Thinking of you and your family in this time and pray that God will put his blessings on you and continue to provide the support that you need. “ I want to let you know that Mrs. Stutzman was my teacher at Lutz elementary school and she took the time to place me in a reading group that enabled me to become a better reader. I was so excited when Mrs. Stutzman allowed me to move up into the advanced reading group as it made me feel good about improving my reading skills. I loved Mrs. Stutzman and I will miss her and I thank her for taking the time to work with me as my teacher at Lutz School. May God bless Mrs. Stutzman for taking the time to make a difference in the lives of so many children. Now she has joined the Lord Jesus Christ in heaven where she will be able to rest in peace.
