“ Gary, Gloria, and Holly, I am so sorry for your loss. My best memories of Ann were summers hanging out together when she wasn't busy gardening, or canning the food. She was a wonderful wife and mother. You were her everything. I remember how much she loved her flowers and they were so beautiful. She must have passed down her green thumb. I have gone to Holly's to buy plants and the memories always flooded back to me. I know that she was well loved in return and I know we will meet again where there's no pain or suffering! Hugs for the family. Prayers for peace and wonderful memories. Until we meet again. God bless!

“ Ann was so kind and gentle to me the years she was in my life. I was so sad when I heard the news of her passing. Ann loved her two girls like no other. She was the mother I always dreamed of having. I hope the Stone family is doing well through this devastating time.
