“ Thought I'd share these pictures I have of him from Auto at the vocational school. We had a blast that year. Both of us being Diabetic we were often goofing off together in the nurses station before lunch. See you on the other side Planckerz.

“ We went to school together and were great friends. We didn't keep up as much recently but it still saddens me to see him go. I remember he got the nickname Two-Tun after we watched the outsiders and that was what he wanted to be called and the first time his mom heard me call him it i got in trouble because she thought I was making fun of him. Until we meet again brother stay golden.
