“ I am so very sorry for your loss. Boo and all of the Bradley cousins were a large part of my childhood and I have wonderful memories of them all. It was through your loving care (Timberly, Aunna and family) that made it possible for Boo to reach the age of 60 when the Doctors did not think he would make it past childhood. I know you will all miss him terribly in the coming days as we miss all of our loved ones and I hope you find peace in your memories and in the knowledge that you were your brothers/Uncles keeper in the truest meaning of the saying. Not many are capable of the dedication needed for that level of care;. Please know that you all are in my thoughts and prayers and do not hesitate to reach out if there is anything at all I can do.
Love, Mary Frances
