“ I have so many memories of Jeanie--including coaching her softball team and as a student at North Adams. Also, the many times we were on the same league at the bowling alley. She was a beautiful person. You will continue to be in my thoughts and prayers.

“ Danny; we want you to know we share in your loss. Due to illness in our family, we will be unable to join you in any memorial services, but know that you and your family are in our thoughts and prayers. Anita & I value your friendship and fellowship. It's only been a few months ago that I chatted with Jeanie at the flower shop before the auction. Life seems so short sometimes! May God give you comfort now and in the days to come. Love, The Morgans

“ We were always good friends in school. We did get to run into each other once in while over the years and it was always a joy when we did. I am still lost at the thought she is gone. I know one thing, the good Lord got a good when he took her. Prayers and hugs for the whole family. I will always remember her.
