“ Hiking to Buzzard Roost with Betty and Terri and others from the
church will always be a special memory of Betty for me. Though
nineteen years my senior, and both of us no spring chickens. she
walked rings around me. I loved her positive attitude and her sweet,
loving smile. She was an example to me of the fruits of the Spirit of
kindness and gentleness. I am so blessed to have known her and
called her friend. Rest in peace, Betty, for your journey here is done,
and we know by your life that you are in the arms of your precious
Savior. My condolences to the family. She will be missed. Thoughts
and prayers for strength, comfort, and peace in the coming days.
