*Beverly was my best friend. We went to first grade together and remained friends forever. We wrote letters to each other every week throughout the last 70 years. And every week the last two years. I left Dayton when I was 16 yrs old. We were together at Fairview High School and in SPS sorority. She came to visit me twice in Cleveland. And I visited her a few times in Dayton or Miamisburg. She was my dear friend. I will miss her immensely.*
