“ So sorry for your family's loss of a loved one who meant the world to you as a role of husband, father, and grandparent. Bill filled many positions in his life and touched many people's lives for the good. I especially appreciated his preaching. He had a way of being down to earth and to the point with a touch of humor. He will be missed by so many people. May the Lord pour his blessings of comfort and strength as you draw close in prayer together. God bless!
