“ So sorry to hear of this. While I did not know Billy for a long period of time, in the brief time I spent with him. He was a good a friend as a guy could ask for. Humble in any situation, able to take a joke and even laugh at himself. The memories of our fishing trip I will remember the rest of my life. To the family very sorry for your loss that this great man was taken from us all way to soon.

“ To the family of Billy Purtee I am so sorry for the loss of a well known community man. Billy was such a great person. If you were in the worst mood he knew exactly what to do and say to make it better. I remember hanging out at the Byers garage with him quite a few times and he was a character. "Solo Cup" lol is a song every time I hear it or "Beer for my horses" lol I would think of him. Again I am so sorry for your loss. Big (((HUGS)))
