“ *Bonnie was more of a sister to me than a sister in law. Whenever she was around we would sit and talk about everything. For some reason the family lost contact with everyone. I had went to the hospital to see my brother Billy before he past to try to mend whatever was going on. Even though we weren't close anymore I still love you all. You will be truly missed by everyone.*

I am so sorry I can't come to this but my health isn't the best right now. But you and the family are in my prayers and thoughts. RIP Bonnie I love you and will be praying for you and the family. Enjoy your time in heaven with all of the loved ones that are there waiting for you.
