“ My cousin Cody, this is just so unfair for you to be gone. So young, so soon and before anyone was ready and I suspect you most of all were probably the least ready. My heart breaks for You first and of course for Elisha and Aubry, Aunt Denise and Coleen and Cara and Danielle as well as your brother in laws I, nieces and nephews and all the other Aunts, Uncles and cousins like myself. We all have a plan per God of when we must leave and your time was just too soon in my mind. However, may you be at peace and looking over all your loved ones from above. Fly high till we are all reunited one day up above. May those left behind find peace and comfort in the days ahead amongst themselves and their loved ones.
