“ I was a student of Professor Fenton at UC. She was a favorite professor of mine who molded me into the nurse I am today. She always took a personal interest in all her students and her passion for nursing was seen in all she did. I'm truly sorry for your loss. She will be greatly missed by all.

“ *Connie was instrumental in assisting with the Cincinnati Chapter's Out of the Darkness Walk for the American Foundation for Suicide Prevention. Her nurses and students volunteered their time and energy to make the Walk successful and to bring suicide awareness and prevention to the Cincinnati community. I loved her humble presence and will miss her dearly. I pray that you find peace with her passing and that her angelic presence will watch over us and we continue our life's journeys. Brigitte Boiano, with the Cincinnati Chapter of AFSP*
