“ I remember the time Uncle Clifford was at our house for a family gathering and wanted to ride my horse that wasn't super broke yet. Lol He looked so big on that horse, he stayed on though even when Rocky(the horse) tried to buck.

“ The memories I have of uncle Clifford are from before my Dad's passing and all are wonderful memories! Uncle Clifford along with all the rest of my uncles, Cliff had a big heart and was always so kind, he was always so quiet! My favorite Memory was when I Was Living with my Dad uncle Clifford stopped By to Visit I went down to my Dads Half filled Pond to fish while they talked, I was only down at the pond for a little while when I caught a fish as I'm reeling the little bluegill in a huge snapping turtle grabbed on to my little fish on my line and almost pulled my pole in I was so scared I would get into trouble if I lost I pole I started yelling my dad and uncle came running my uncle Clifford ran so fast down into the muddy half filled pond he didn't get stopped before he ran straight into the water thinking something horrible had happened to me once I was able to explain I was fine just scared to lose the pole worried my Step Mom would be very mad he got that turtle off my line and my fish back 😂 and the 3 of us laughed so hard!

“ I took my brother shopping to Ohio thrift in Washington Courthouse one day. He so enjoyed the shopping, but had commented how he loved looking at the babies in the carts and others shopping. When he came out of the store, he handed me a plaque he had bought to give to me. Although the plaque was intended for a baby and he knew it was, but there were certain words he liked on it and that was good enough for me, because it came from the heart. I will forever miss my brother and love him so much!
