“ Dan was my teammate at Social Services but most of all he was my friend. We shared so many good times, conversations and special outings. I loved him like a brother and will never forget him. Dan go rest high on the mountain no more suffering and pain for you. I love you buddy always and forever.💔💔

“ I knew Dan initially through my sister's work, where she and all of the team became close in Lexington. And that circle expanded to me and to other friends. Even though he was technically born in Ohio, I always thought of Dan as the consummate Southern Gentleman. He was always well-dressed, quick with a quip, a genuine smile and a heart-felt laugh. He made everyone feel at ease and like they were the most interesting person in the room. The Christmas Open Houses that he and John had opened my (then) young eyes to the Art of Entertaining and grew my love of details, themes, and making everything just "so" about a party to express my love for family and friends. A life well lived and a life well loved by so many....we will miss you, Dan.

“ It's so hard to put into a few words, so many amazing memories and years of friendship with Dan. We worked together in Lexington. Dan was THE Centralized Intake for the region. I was on our wonderful friend, Melinda's team, right outside Dan's office door. We all formed a family that has lasted all these years later. How many lunches did we spend laughing and playing spades....Or mornings pre-work (as we were early birds) getting our pre-work talks in. The after work fun and adventure. So many years of fun, support and friendship. Many years later, when CI went state-wide and I was now working in NKy, I knew that was what I wanted to do because I had the blueprint...the role model. Dan.I helped build the CI for my region based on what I learned from Dan. It was far more than the day to day report taking. It was always remembering.. that a good sense of humor and kindness, was first and foremost and to lead with that. I am so glad that I got to know Dan so well and share so many memories. He will always be missed. Sending love, hugs and prayers to John and all of Dan's family.

“ My prayers are with Dan's Family at this time. I will miss seeing him at his mother's letting the dog out and sprucing up her flower beds and always making sure she has her yard looking great for all the changing seasons we have. God's Blessings
