“ *Danny, Ben, Charles, James, Sharon, Becky, Rachel, Mary and Elizabeth,
When we were kids and played together at Grandma & Grandpa's we never even considered at that time that this time would ever come. When we would be saying goodbye on this earth to one we were playing with. Life can deal hard blows but we have a Heavenly Father who can help us through and over these tough and hard times. I would say to each of you to hold onto and cherish the memories of David. We have the promise of seeing him again in that Great Family Reunion in Heaven where there will be no more heartaches, no more tears and we will see ALL those who have gone ahead. My heart felt condolences at this time. I wish I could have made it down but due to work couldn't make it. I am so glad I got to talk to Dave at the reunion and I look forward to seeing him in Heaven along with all family. May God bless you all at this time. I love you all.
