“ The family of David are in my thoughts. I am so sad to hear of his passing.
I worked with Dave for a short period of time, but in that time he showed what a kind and caring person he was to everyone. Dave was always helpful and had a smile on his face. Dave had a beautiful light about him and a kind heart. He impacted a lot of people. You will be missed David.

“ David has always been my best friend, not only as my brother, helping me farm in every area (from being an awesome fence patcher, to planting seson, or harvest); you could always count on him being beside me all the way until the job was finished. He always said "tick-tock. Do Something!" I will always love him.
Your Brother,
Devin

“ *Rest in Peace my friend. Our hearts weep for your family and loved ones at this time of grief. So grateful that God allowed our paths to cross twice in the last 5 months, after years apart. I treasure our childhood memories and will always remember our discussion as adults. So Happy you and Lori built and full life of love and family together. Gone too soon but will never be forgotten, you lived a life of great integrity and had the respect of all who knew you best.*
