“ *Donnie and you, Sue both played a huge, loving part of my life. You guys made life rich. Taught us building a house wasn't only about the craftsmanship. Anyone can have a house built. But it was about the lives touched and memories made that makes a house a home. Thank you for being wonderful people, for late nights playing euchre. Motorcycles rides across the fields, big bomb fires. Smiles. And all the unconditional love to grow up strong on. Thank you for being a light for so many.*

*Love,
