“ So sorry to all the family for your loss. Donnie was a great friend of mine, he was an upperclassman in our masonry class. I struggled for awhile when I started laying brick trying to get it right and Donnie was always the first person to step in and show me some slick tricks and offer words of encouragement to me. For his friendship and help I am forever grateful. He got his skills and calm way of teaching from his Dad Don who I also thought the world of. Rest in heaven Donnie
