“ I am very sorry for your loss. It can be hard for friends and family to find the right words to say at a time like this. Thankfully, we can echo the comforting words that we read in the Bible. At Revelation 21:4 it tells us that the God of all comfort will soon do away with all suffering, sickness, tears, and death. Along with what we read at John 5:28. 29 we have a solid hope for the future. Until then, may your loving memories bring you relief during this difficult time. Your family has my sincerest condolences.

“ Becky, Our deepest condolences to you and your family. Sorry I didn't get to know Donnie better, even though he was my cousin. It really hurts knowing that I lost two cousins within a year. Jimmie and I had some good times growing up. May God bless you going forward and give you peace.
