“ I am so sorry for the loss of your father. I think of your family often...especially around the time of Denise's birthday. I have a grandson who shares that date. My memories of your father are that of an elegant man. He looked like the father in the story books of my childhood. It is good that you have had a long time with him. I know you will miss him, but will carry him in your heart always. My own parents are gone now. Dad passed when he was 71 in Nov 1999. My mother passed in 2007 after the very long goodbye that is Alzheimers. I hope you are all well. Blessings on you, Dawn
