“ To all of Flora's family, I am so sorry to hear of Florie's death. I know how much all of you loved her and cared for her. It was a priviledge to know her. All of you are so lucky to have her for a mom. I know she will be missed forever. I wish there were words right now to make it all better, I guess time does lessen the pain somewhat; although it never goes away . You are all in my thoughts Love, Marguerite Jamison Nolte
