“ Grace was a special, I had to have a cat scan and drink 4 large cups of a bad tasting drink and Grace said now Glenda just drink each cup as fast as you can and it’s a lot easier to get it down, from then on that’s just what I done and thank Grace for her advice. She always had a smile and a good hello when ever you seen her. She will be missed by everyone that knew her. Prayers for all her family 🙏🙏
