“ Our hearts and prayers go out to the family during this time. We pray that God will bless, strengthen, and give you peace throughout this time. We used to visit you for Thanksgiving on the Farm. Thank you for your love and hospitality. We'll never forget when our youngest son, Matthew, went out to the barn with his father, Michael, and his brother, also Michael, and nearly had a life or death run in with the bull out there. Once the bull acted as if he was going to trample Matt down, Matt ran for his life as fast as his little legs could carry him across the barnyard and we found him hiding in a clothes hamper in the house. It's a story we still remember to this day.

“ Our hearts are full as we think of the loss of our Grandpa and Great-Grandpa Henry. Although we live states apart, we think of him (and Grandma) often. We cherish the letters, pictures, phone calls and family updates. We have fond memories of the Henry farm and are so thankful that we were able to visit Ohio when William Raiden was a toddler to meet his Great Grandpa. We knew Grandpa was growing weary yet it's always hard when the time comes. He was a strong, hard working man up until the end - a great example. Billy is proud to be the eldest Henry grandson. He loved his Grandpa. We wish so much we could be there in person for the services but hope the family knows we are there in spirit. May you all feel comfort in knowing he's at peace and that his legacy will live on. Love always, Billy, Sariah, William and Dylan Henry

“ *To the precious Henry family, I have so many wonderful memories of spending time on the farm when Sandy and I were best friends throughout our years in school. Grover was such a hard worker and his love for family and his Lord was so very evident. Dorothy, my thoughts are with you...Sandy, I know how you feel as we lost daddy in 2010. I pray that God gives each of you strength to face the days ahead...much love to you all. Kathy (Campton) Grooms*
