“ JB and Larry, we are so sorry to heard about Helen. She was such a joy to be around. The 3 of us each thought about Helen yesterday and we all had a great memory or memories of the family together. Wish we could be there with you all, that is what families do but the Lord had other plans for the world at this time. Remember that we are still family no matter the circumstance or the miles. We love you all so much, we will get together as soon as we can
We love you all so much, Billy, Jean Ann and Kathy.
