“ I’m not exaggerating when I say that Helen was one of the best people I ever had the privilege of knowing. She was definitely the embodiment of God’s love and peace. When I think of someone who truly lived out God’s love, it was her. I know that I’m where I’m at in life because of her faithful commitment to God and others and because of her prayers. Helen also always believed in me and supported me. She encouraged me in playing the piano and in leadership roles. Even though I’m not even related to her, every year when I was a kid, she gave me Christmas and birthday money. One winter Sunday morning when it was cold and snowy, there were only a few people at church. Of course she was one of those people. Another time her car wasn’t working and she still walked all the way to church because she said that she’d be there. In Helen’s honor, I can only hope to be even half the amazing woman that she was!

“ Helen was very kind and a devoted Christian. One of her favorite hymns was : Make me a Servant. She was loyal to God and worked diligently for the cause of the Ten Commandments. I was out of town during the funeral. Rev. Ken Johnson and family

“ We extend our sympathy to Helen's family. I remember her from my high school days so many years ago as being a very nice, sweet person. Also, I admired your grandparents, Walter and Elsie Whisner.

Sorry to see that Betty has passed. I didn't know that. I was in the band with Carolyn and Betty.

May God comfort you in your loss.

I was very very very lucky to have known Helen, she was one of the Kindest Persons I have ever met. The world will be a much poorer place without her. I know she will be missed greatly by many.
