“ With condolences to the Albin family in their loss of Jim. The Bible promises that we will see our dead loved ones again in the resurrection to life on earth. John 5:28, 29; Acts 24:15. Examining the Scriptures also shows that our dead loved ones are not suffering. Ecclesiastes 9:5. May these Scriptures bring you comfort and hope. May the memories the family shares bring them strength today and in the days ahead.
