“ To The Garrison Family,
I am sorry for the death of your love One. Sadly death is a part of all our lives, no matter who we are all of mankind has experienced the pain of death.
Interestingly the Bible says, " that death will be swallowed up forever," Isaiah 25:8, then life on a Paradise Earth will become a reality for all obedient mankind, Psalm 37:11,29.
Please take comfort in those words they will come true very soon, God cannot lie, Titus 1: 1,2.
