“ So, sorry to hear of your mother's passing. I think my husband was related to your Grandpa Merle and Grandma. My husband's birthday was September 12, 1935. We had visited Jean a couple of times and I had her over for a Christmas get together about three years ago. She was a nice lady. My husband's name was William Eugene Foster, his father was Glenn Fulton Foster. He had a sister, Clara Margaret (Foster) Dudley, and a brother Paul Fulton Foster. William went to be with our Lord on April 25, 2017 and was buried on what would have been our 60th Wedding Anniversary. He was the last one of his family.
