“ *Debby, Jennifer and Family,
I am very saddened to hear about Davey.
When he installed our carpet in 2014, I truly enjoyed his company
and our conversations.
I gathered several things of great importance from Davey. Among
the greatest importance, his love for his wife, children, and parents.
Davey also expressed a love for his flooring job and for farming. I
shared with him, my highest regard for his parents , much in detail.
He light up. Lastly, I must compliment all of you, for the fine young
man that you influenced and raised to be the person that he clearly
was.
With greatest sympathy, thoughts and Prayers.
