“ What can I say about Jimmy Tolle that everyone in Adams County doesn't already know? I mean, he was one of the really good ones & everybody loved him.
He was a hard-working family man who enjoyed the simple things like going fishing, or just watching old westerns. But mostly, I think, he liked working. And work he did! He had a way of making the most back-breaking jobs look easy.
When I was a kid, he seemed like this larger-than-life superhero. So, of course, when I was older, I couldn't help wanting to be like him, but I think we all know how that turned out! After all, who could fill those work boots?
I know that he is with the Heavenly Father now, which means he is doing better than any of us! But I'm really going to miss him, & this world is going to be a much darker place without him in it.

“ *My dad was the kindest man I know. Would give the shirt off his back to a stranger and his last dime to someone in need. I can't think of anyone who didn't like him. I know he is in heaven with my brother resting in peace. Thank you all for your kindness and support during this time of sorrow! Teresa Tolle*

“ Jimmy was a great man and like a second father to me on my years of being his neighbor out on mineral springs. He was my daddy's best friend and now they're together again. Amen 🙏 I'll never forget going along to fish with them Many of times at the Ohio river. He was one of the kindest men I've had the pleasure of knowing. So sorry for all the families loss.
