“ *Darlene*

We are so sad for you. Glad that we got to see him on Tuesday, will always have the image of him pulling out of the driveway. Last year before the 4th, he was helping J.R. build "Big Bertha" the barrel barbeque and the laughter they had building that monster was so funny. He was always happy . My heart breaks for you. Please take care of yourself as he always said "you took care of everybody else and forgot your self"
