“ I first met Phil (I always called him John) in the 60's at work at Delco Moraine. We hit it off because of our christian values and our beliefs. This friendship has lasted for over 50 years. I can say that John was a true christian and I can't say that about many people. When I think of him the song Precsious Memories comes to mind. We visited back and forth over the years, with our families and he was a true friend. Sincere condolences to Sharon and the family. It feels like I have lost a brother but looking forward to our reunion in heaven.

“ Isn't it awesome to know that Phil was a great man of God and that he's only made a change of address. He is visiting with all the friends and family that have gone before him. Know that this pain is only temporary and there will be a day that you will see him in Heaven. Phil won't be forgotten he is a loving part of you, your family, Union Hill Church and all the people's life that he touched. What a great legacy he has left.
God is always there for us to lean on. The word says h will be your husband always lean on him and he will help you and your family through this season of grief.

“ *Pastor Phil Fulton was one of the finest men I have had the pleasure to know. His love and his commitment to his Savior and his love of family and of people was evident to all who knew him. His service as an advisor to the Ohio Christian Alliance was a great encouragement to those of us who had the opportunity to hear and receive his words of encouragement and wisdom. Our conversations and times of prayer over the phone helped to keep me going in the work. We will miss him greatly but rejoice to know that our brother is in the presence of our Savior and is receiving his reward.*

“ *Sharon and family, so sorry about Pastor Phil, I will be one of the many who will miss him, his smile, singing and his hugs. I never went into church without him giving me a hug, no matter how bad he was feeling. He is one of the reasons we started going to Union Hill Church, the other was Philip Swayne, they both were the best of Phil's. Love and prayers to you and all your family* ❤️🙏

“ *There are no words to express what we are feeling right now. Phil Fulton was one of the most wonderful men of God, we have ever been blessed to know. He was a true pastor, leader, advisor, and most of all, a treasured friend. Amid tears and smiles, we grieve and rejoice. We cannot reach him again in this life, but he is in the place he has talked, sung, and preached about for so many years! We hold Sharon, Brian, Beth, and the rest of the family up in prayer during this time. We love you!*

“ Pastor Phil made every encounter count. I've known Pastor Phil and Sharon my whole life. It wasn't until I was older that I realized what a blessing to know both of them. Pastor Phil provided encouragement and guidance all at the same time. I had the privilege of working beside him when he was chaplain at the hospital. I'm still not sure if the patients found comfort or distress in Pastor Phil asking me (Physical Therapy) to join them in prayer before a therapy session. And then he would exit the room saying "Have a blessed day Mean Green."

It was because of Pastor Phil that I got involved in the National Day of Prayer and the planning of other events the Adams County for Christian Values participated in. By his influence, I have done more in my life than I ever thought I would. I'm certain he's in Heaven meeting all those other people who's lives he touched. "Thank you for giving to the Lord. I am a life that was changed."

My thoughts and prayers continue to be with his family and friends. It'll be a different place without Pastor Phil.

“ There are so many things to say about Pastor Phil but I will only mention one. He was there when our daughter passed away. Him and Sharon would stop in and see how we were doing. Wonderful man of God.

“ There are not words to describe the loss we feel without Phil being here. He had such an impact on so many people. It's always been hard to distinguish between seeing him as family and my pastor. He treated everyone with respect, dignity and compassion. He had a large heart. No matter where you saw him he was the same. I only hope I can leave a legacy like he did.
May God bless the family and give them comfort.

Sister Sharon, I just learned of Phil's passing into Glory on Monday morning and am deeply saddened. I remember the time he first called me and asked me to come preach at Union Hill, That began a great ministerial friendship and journey for a season with you both until I moved out of the area. Though it has been many years since I was at Union Hill with you all, reading his obituary reminded me of those glorious times of revival, special services, and personal fellowship Kay and I had with you both! Be assured of our love and prayers for you, your family, and the Union Hill Church
