“ I had the pleasure of working with Juanita at the Hospice of Hope Inpatient Center, where she was one of our volunteers. She was always so helpful, and just a joy to be around. She always had a smile on her face, and even after I left to take another job, when she saw me, she always had a big hug. Heaven has truly gotten an angel with Juanita. My thoughts and prayers are with her family during this difficult time. May God bless you all!
