“ *I first met Juanita through the Night Bloomers Garden Club in the 1980's. Juanita was an integral part of our lively bunch, a standout for her gentleness, quiet poise, and concise management of her life which showed in her beautiful flower arrangements. She seemed perpetually upbeat, her positivity a contagion of joy and peace. I was relatively new to the area then and so appreciate how Juanita went out of her way to show kindness to me. Thankful to have met this very special person. So sorry for your loss.*
