“ Kim and John, I am so sorry I missed the services today. I had every intention of coming but I didn't know until it was over. I didn't know Kevin very well from when he worked at Wal-Mart but I do remember him being polite and respectful. I wish I could take some of your pain away because there is no pain worse than losing your child. I wish we both had our sons back but since that's not possible, I like to think Jordan now has a new friend in Heaven. God Bless you and your family.
