“ Lea Jane was a special friend of my mother, Louise,. I can remember the good times visiting at my mother's home with Carol A., Jean B., c. Neal, and others and their children and eating mom's donuts. Lea Jane taught my daughter home economics. Lea Jane was a kind, patient, loving person. Now I am sure she has heard, "Well done good and faithful servant." She will be missed but she created memories for family and friends and an example to follow.
