“ *Lucian was a very sweet and kind man and he was very dear to my heart. He could always put a smile on my face when he came into the office for his weekly or monthly trips. Margie just remember how much he loved you, when we would ask about you he would just beam up. God bless you and your family and may he comfort you in this time of need. Always know that Lucian is right there beside you with his arms around you saying it will be ok I will see you again.*

*Love you Margie
