“ I have been trying for days to find the right words to say about Grandma Mary. I have not been able to come up with the right words to say what a wonderful caring person she was. We could tell Jocelyn loved her and enjoyed her talking to her as she was reluctant to get out of the van when she got home and would always be happy. Thank you Grandma Mary for being not only Jocelyn's friend but ours as well and it was easy to see why everyone called you Grandma Mary. As part of the song goes; "Go rest high on that mountain your work on earth is done" but we know you will always watch over all of us that you considered part of your family.
