“ I always considered Mary Ann my second mother. This began with my little league days with Charlie. I admired and loved Mary Ann and will miss her very much. I had many fond memories of her. She always had a smile, a kind word and a hug for me when I seen her. May God bless you Mary Ann and your family. Charlie, hope to see you soon, I miss you and your friendship. I am truly sorry I can't be there for support during this sad time.

“ I was so fortunate to have Harty as a great friend during my school years. If you were a friend of one of Mary Ann's sons, you were a member of the Wallingford family. We spent countless hours at their wonderful home playing basketball, ping pong and music. We were always welcomed and provided with too many home cooked meals to count. Mary Ann and Rich were so generous and fun to be with. They were a major positive influence on my life.
