“ You will forever be missed and will forever be in my thoughts of memories we shared together. I will always remember the love, laughter and even tears we shared. You was always there; from showing me your new cooking gadgets and how to cook to showing me how to crochet. You taught me so many things. You was so talented. I will never forget the long nights “2-4 a clock in the morning” of playing RockBand and Call of Duty "which would sometimes turn into brother/sister fights" to the long nights of you helping me write my papers for school. Even our long nights of fishing and you always bringing the fun off the wall snacks to the shopping adventures “Jungle Jim’s”. You always knew how to make things fun and exciting!! You was the one person that would make me feel so loved and have so much self confidence in myself. You was such a beautiful and wonderful person that will always have a special place in my heart. Sending so much love and prayers to the family.
