“ Anyone that knew Mike had to love him. He was a big teddy bear. He worked for my dad for years and I worked with him in the office. He was so funny. He always made me laugh. When I was a little girl, he and his family went to church with my family. He was a kind and gentle soul. Loved Mike very much. He will be missed!!

“ We are so sorry Wanda. There are no words. Praying the peace of God surrounds you during this time. Jerry recalls so many great and precious memories together with the horses and fellowshipping together. Those memories will never be forgotten. He always was there waiting on Jerry even when he was 12 hours late! A true friend that Jerry could always count on and never forget. Sending love to the family.

“ My cousin Mike taken way to soon.
A good man who Loved his friends
And Loved his family to the moon

*He labored hard as an adult
But always with a smile.
If anyone was feeling down
Just look him up
A smile would replace your frown*

*I loved him though
We were miles apart
I would always smile
Thinking of his kind heart.*

*Mike you will be missed
By so many
But my thoughts are
Of you in Heaven.*

*Condolence and Blessings to the entire family
Cousin Joyce*
