“ We haven't had the opportunity to talk in a long time, but Mike "Goo" Montgomery will be missed. I will never forget summer nights cruising the back roads of Pike County in that old brown Duster, with AC/DC in the 8 track player. Those nights taught me a few things I'll never forget or let go of. You were far more of an influence on me than you will ever realize.

“ There are no words to describe how much you will be missed. Your obituary says a lot of things, but it can't describe what an amazing husband you were to Patricia. How you were always there for her, during sickness and health. How you made her laugh and smile. It doesn't say what a great father and grandfather you were, granting wisdom, hugs and fun. It doesn't say what a loyal friend you were, how you would make us laugh with your stories and sense of humor. The world is a darker place without such a gentle soul. Prayers for your family and friends.
