“ All I can remember of you, is your love of animals. And a goofy sense of humor. I have your backwards butterfly dance move engraved in my memory. I never got to know you. But I am 1 of 4 of your kids. I have attached a picture of 4 of your grandchildren that you never even knew you had. You actually have a total of 8 grandchildren. It leaves me saddened, and there was no closure ever found. I reached out for you years ago as a child, and never did get in touch with you. I'm sorry. The what could have beens, and should have beens that never came to be, sure leaves a sting in my heart. Rest in Peace, Father.
