“ I'm so sorry to hear of Monica's passing & I'm in shock! I used to frequently see her in the hospital when I'd bring patients in via Life squad. Our friendship went back decades to when we were in high school; she at West Union, & I at North Adams. Monica always had a smile on her face & we always managed to have something to talk about, no matter when or where I saw her.

My heart goes out to all of you, & I pray that the Lord will keep his arms wrapped tightly around you all during your time of need. Please know I'm thinking of you & that I'm so, so sorry I wasn't there in person to share in your grief.
