“ I have such fond memories of Neil. One of my favorite memories of growing up in North Carolina is when Neil took me ginseng hunting in the mountains around Brevard. I still have fun talking about our rattlesnake encounter. Neil will be sorely missed. With deepest sympathies, Ron

“ *So sorry to hear of Neil's passing. Such a handsome, kind, loving person all of his life. I am sure he will be missed immensely by family and friends. The Swayne Reunion will never be the same without his presence. I cannot remember ever seeing Neal that he didn't have that fantastic smile on his face. My condolences to his family, just remember you still have all your memories and that does help get you through the hard days ahead. Love and prayers to you all.*
