“ I have a lifetime of fond memories of my dad, I could write a book of all the jokes he's told. I know that's where I got my sense of humor. I've often been told I look just like him, although that's tough to hear when you're a young lady, and you're father looks like a biker with a beard and mustache. I learned when people say those things, they see the inner spirit of a person as well, at least I hope for my sake. What I really want people to know is that my dad was loving, funny and would do anything for his wife, children and grandchildren. We will miss him with all of our hearts.
