“ I am so sorry for your loss! I was blessed to know her when my sister married her wonderful son Greg. At his visitation, she told me she was running out of children. So this is a blessing to her not having to bury any more of her children. May she rest in peace at last and reunite with her loved ones.

“ So sorry for the families loss, and glad I was able to see Patty late last year when I came down to see old friends and classmates. The Burns family always treated me well, like I was one of the family. She will be missed dearly and hope the farm stays in the family.
