“ *Patty was such a sweet sister-in-law. I have many special memories of the times David & I shared with her & Francis while living in Florida. One of those times was many years ago when I had to work on Thanksgiving. She cooked a big meal at her house then carried it all down to our home so I could have Thanksgiving with the family when I got off work. She was so good hearted. I know she will be sadly missed. I'm sad but so glad to have known her & been a part of her wonderful family. We'll all be together with our Heavenly family some great day. My condolences to the family.
