“ To A. Jona and all of U. Paul's family: We are so sorry for your loss, and hope that warm memories will comfort you. We will never forget U Paul's wonderful stories or his love for Jona and his children and grandchildren. In the years since we've been married, we have enjoyed hearing U Paul's stories of Liz's dad and his brothers and sisters, when they were young. Liz loves to think of her dad and all the others reunited again, healthy in mind and body. What a Homecoming they're enjoying!

“ So sorry for your loss! He was a special friend to my dad Earl, and to our whole family. He gave me a couple of cassette tapes that had my dad's voice on it. Now I will always be able to hear His voice. He also said the final prayer at our wedding 34 years ago next month. I'm so grateful for all the love and prayers that he gave to us. My family and I Love You. God continue to bless you Jona and family

“ *Words could not express how much Bro. Dorsey and the family meant to me as I was growing up in Alma. His kindness and laughter are what I remember the most. He looked pasted my faults and loved me. To Jona and the children, will be thinking of you during this time of loss. Laura Wade Jones*

“ I am so very sorry to hear of the passing of "Brother" Dorsey. Always loved your family. And, you Jim, were so very special to our family. Daddy loved you so. You will ALL be in my thoughts and prayers. Regret there are so many miles between us or I would be there to share in the celebration of his life and his passing to his new life with no pain or sorrow, but to also share in the pain of losing one who was so dear to you. I still miss my daddy a lot after almost 5 years, but it does get easier. In His Name and With Love, Kym
