“ I discovered Paul on Tiktok and I learned about wholesaling through him. I never met him, but I always enjoyed watching his videos and learning from him. He seemed like an awesome guy and I was sad to hear about his untimely passing. My condolences to his family.

“ *Paul will be forever in my heart. From the moment I spoke with him, about the cabin, I felt we would be life long friends. We shared a mutual respect. He NEVER said he would do something that he didn't follow through on. I always knew I could trust Paul; his word was worth more than any contract. There was no one else like him. If this world had more loyal, honest, dependable, dedicated, real people like Paul, we would be in a much better place.*

Paul, I'll see you in Heaven.

Love always,

Sharry (aka Nana 🧡🙏)
